Student Volunteer Spotlight

Hello! My name is Jack Johnson, and I'm from Vancouver, Washington. Currently a sophomore at Grand Canyon University, where I'm majoring in Sports and Entertainment Management. As someone who has always had a passion for sports, I'm excited to continue learning and growing in an industry that inspires me.

Hi, I'm Elijah Fajardo. I'm a senior at Grand Canyon University studying Sports and Entertainment Management. I work with the Arizona Cardinals and have been involved with major sports events in Phoenix. I'm really passionate about sports, business, and leadership, and I'm working toward a future career in NFL management.

Hello, my name is Sarah Dirks, I am so excited to be working with the Tournament team again this year. I hope to further my skills, connections, and general knowledge for my future career throughout the tournament. I look forward to working with all of you!

A little about me:

- I am a junior at Grand Canyon University, where I study business management with a minor in sports management and serve on the student government.
- My hometown is Parker, Colorado
- I enjoy spending time with my friends and family, playing sports, camping, and exploring all Arizona has to offer.

THANK YOU!
