### **Marketing & Promotion:**

Starting in August, each organization will have the opportunity to advertise and promote the TICKETS Fore CHARITY™ (TFC) program. As a registered organization, your team will receive a complimentary flyer and postcard to use for the ticket promotion. These materials will be customized to display your organization name, phone number, and custom web link to your ticket sales site. This will allow you to specifically promote ticket sales for your organization’s involvement in the TICKETS Fore CHARITY™ program.

TFC is a great way to create a sense of value for your constituents and donors by providing them with a unique golf tournament experience. Additionally, by offering the Good Any One Day Grounds Ticket, it gives the purchaser much more flexibility as they do not have to choose a specific day to attend the event in advance.
